## Research Assistant (f/m/x)

Institute of Econometrics and Statistics

We are one of the largest and oldest universities in Europe and one of the most important employers in our region. Our broad range of subjects, the dynamic development of our main research areas and our central location in Cologne make us attractive for students and researchers from around the world. We offer a wide range of career opportunities in science, technology, and administration.

The research group led by Professor Wied focuses on questions from statistics and econometrics in both research and teaching, such as copulas, endogeneity, quantile regressions, and structural break tests. Details can be found at <https://wisostat.uni-koeln.de/de/wied>
