Data Steward (f/m/d): Research fellow for the NFDI4Health project

University and City Library Cologne

We are one of the largest and oldest universities in Europe and one of the most important employers in our region. Our broad range of subjects, the dynamic development of our main research areas and our central location in Cologne make us attractive for students and researchers from around the world. We offer a wide range of career opportunities in science, technology, and administration.

The University and City Library Cologne is looking for a Data Steward (f/m/x) for the National Research Data Infrastructure for Personal Health Data NFDI4Health <https://www.nfdi4health.de/>.

YOUR TASKS

- » RDM training, especially for early-career researchers
- » Networking and standard development
- » Community management and public relations for the project
- » Conducting research on the requirements of users, citizens and patients for NFDI4Health

YOUR PROFILE

- » Completed degree (Master's degree or comparable), preferably in life sciences
- » Comprehensive knowledge of collecting, indexing and analysing research data according to scientific principles in life sciences
- » Experience in the application of empirical social research methods

WE OFFER

- » An independent field of activity in an interdisciplinary national project
- » A diverse working environment with equal opportunities
- » Support in balancing work and family life
- » Extensive advanced training opportunities
- » Occupational health management offers
- » Flexible working time models
- » Opportunity to work remotely

The University of Cologne promotes equal opportunities and diversity. Women will be considered preferentially in accordance with the Equal Opportunities Act of North Rhine-Westphalia (Landesgleichstellungsgesetz – LGG NRW). We also expressly welcome applications from all suitable candidates regardless of their gender, nationality, ethnic and social origin, religion, disability, age, sexual orientation and identity.

The position is available immediately on a full-time basis (39,83 hours per week). The position is to be filled for a fixed term until 30.09.2025. If the applicant meets the relevant wage requirements and personal qualifications, the salary will be based on remuneration group 13 TV-L of the pay scale for the German public sector.

Please apply online with proof of the required qualifications without a photo under: <https://jobportal.uni-koeln.de>. The reference number is Wiss2408-09. The application deadline is 09.09.2024.

For further inquiries, please contact Ralf Depping (depping@ub.uni-koeln.de).
