

Postdoctoral Researcher (f/m/d) - Digitalisation in Healthcare

Cologne Institute for Information Systems

The University of Cologne is one of the largest and most research-intensive universities in Germany, offering a wide range of subjects. With its six faculties and its interfaculty centres, it offers a broad spectrum of scientific disciplines and internationally outstanding profile areas, supported by the administration with its services.

The selected candidate will study the effects of digitalisation on human work within the DFG-funded project „Digital Transformation in Healthcare“. The project is part of the DFG Priority Programme “The Digitalisation of Working Worlds“ (SPP 2267) and is jointly conducted with the AIFB of Karlsruhe Institute of Technology (KIT).

YOUR TASKS

- » You will be responsible for conducting research on the effects of digital transformation in healthcare, building on a longitudinal case study and carrying out the joint research project together with colleagues from AIFB (KIT) and University Hospital of Cologne
- » Train, supervise and teach students, student assistants and doctoral students
- » Support project management and administration of the project
- » Write and publish scientific articles

YOUR PROFILE

- » A talented, highly motivated and enthusiastic researcher (f/m/d) with a PhD in information systems, sociology, economics, management or related fields
- » A background in healthcare, ideally involving digital technologies
- » A genuine interest in mixed-method research as well as complementary skills in both qualitative and quantitative methods
- » Creative, open minded, team player (f/m/d) that takes responsibility and initiative
- » Excellent oral and written communication skills in both German and English

WE OFFER YOU

- » Participation in a stimulating, dynamic, international, enthusiastic and collegial team
- » a comprehensive training programme that consists of scientific training, training in soft skills, mentoring and coaching
- » a diverse and fair working environment
- » support in reconciling work and family life
- » flexible working time models, full-time positions suitable for job sharing
- » extensive advanced training opportunities
- » occupational health management offers
- » local transport ticket at a discount for UoC employees

The position is available from now on a full-time basis. It is limited to three years. If the applicant meets the relevant wage requirements and personal qualifications, the salary is based on remuneration group TV-L E14 of the pay scale for the German public sector.

The University of Cologne is committed to equal opportunities and diversity. Women are especially encouraged to apply and will be considered preferentially in accordance with the Equal Opportunities Act of North Rhine-Westphalia (Landesgleichstellungsgesetz – LGG NRW). We also expressly welcome applications from people with disabilities / special needs or of equal status.

Please apply online at: <https://jobportal.uni-koeln.de> with proof of the sought qualifications. The reference number is Wiss2009-17. The application deadline is 20.10.2020.
