

# PhD Student and Research Associate (f/m/d)

## Social and Economic Cognition I | Department Psychology

The University of Cologne is one of the largest and most research-intensive universities in Germany, offering a wide range of subjects. With its six faculties and its interfaculty centres, it offers a broad spectrum of scientific disciplines and internationally outstanding profile areas, supported by the administration with its services.

At the chair „Social and Economic Cognition I“ (Prof. Dr. Anne Gast) we investigate cognitive processes, esp. learning & memory, that underlie social/economic phenomena. We are part of the Department Psychology, SoCCCo, C-SEB, and ECONtribute.

### YOUR TASKS

- » development, implementation and analysis of experimental studies
